

Crisis Intervention Partner (CIP) Training

Dates: November 5-6, 2018 **Registration Deadline:** October 5th

Seating is limited on a first come/first served basis, so apply early & WATCH for your confirmation!

Location: Gateway Technical College – Racine Campus

Tuition: FREE!

This is your chance to take advantage of the Crisis Intervention Partner (CIP) program. Through collaboration between Racine County and NAMI Racine (National Alliance on Mental Illness of Racine County) you can participate in this program. CIP is based upon Crisis Intervention Team (CIT) training provided to law enforcement officers. Over 1,000 Wisconsin law enforcement professionals have already learned this state-of-the-art method of dealing with persons in psychiatric crisis.

What is Crisis Intervention Partner training?

This two-day workshop (8:00a.m.- 5:00p.m), modeled after the CIT format, is designed for individuals who work in professions related to crisis services (corrections officers, dispatchers, Human Services, EMS personnel, fire fighters, educators, hospital and emergency room personnel, shelter staff, etc.) The CIP curriculum is designed to help you recognize and understand signs and symptoms of mental illness, such as depression, bipolar disorder, schizophrenia, and anxiety disorders, and also associated illnesses, such as dementia. It is a proven system of effective management of psychiatric crisis situations which emphasizes safety for you and those in crisis. The techniques taught in this course are applicable to nearly any type of crisis situation whether the mental health of an involved party is a factor or not. No CEU's; however, completion certificates are issued.

Proven strategies used by police departments nationwide.
